

# Spaghetti Factory

## Rough goals

- No bus
- No hyper-optimisation
- Get to spidertron

## Current tasks

- ~~Get to Logistics chests~~
- ~~Fix Iron (will need landfill)~~
- Figure out what's wrong with science - **it's BLUE CIRCUITS**
- Defences for all outposts & smelter
- Remake mall based on requestor chests
- Remake low-throughput items with requestor chests
